### Shadow World

Brighton Campaign against the Arms Trade are showing a 'superbly edited, angry and enlightening' film about the global arms trade, followed by a talk by producer Andrew Feinstein. This is a great opportunity to find out more about the corruption and devastation caused by the international trade in arms. This will take place on Tuesday 26<sup>th</sup> June, 7.30-9.30 pm at Friends Meeting House, Ship Street, Brighton. Admission is free, but donations towards Amnesty would be welcome.

### Defibrillator

You will have notice that we now have the defibrillator in place. It displays the green ready light, which can be seen from outside the cabinet. If you see a red light, let me know. There are instructions in the cabinet but there are spare ones in the bottom draw of the Avocado table as well as a carry case and an accessories kit. I have arranged training courses for August/September. These are now full but there is a waiting list.
